

CALLA LILY ESTATE & WINERY

Ultimate Red Cabernet Sauvignon Vintage 2013, Napa Valley

WINEMAKER'S NOTES

Currants and red fruit are the aromatic introduction to this wine. Dark fruits, plum, lavender and a touch of forest floor are some of the complex flavor notes, all integrated into a stylish tannic framework and a long luscious finish. This is a wine both rewarding to drink now and cellar-worthy.

THE VINEYARD : CALLA LILY

Calla Lily is the latest project from one of Napa's most revered and renowned winemakers, Cary Gott. Cary founded Calla Lily with a small group of businessmen from Hong Kong and chose a vineyard in Pope Valley for this artisanal, low-production venture. "Pope Valley is a hidden gem in Napa Valley," according to Cary. "Situated on the eastern side of Howell Mountain and at an elevation of over 800 feet, it is cooler than the Valley floor and produces small, intensely-flavored grapes with finely structured tannins and complex aromatics. We practice cold soak fermentation which ensures a gentler extraction of tannins and flavors." Calla Lily has over the course of several years moved towards sustainable farming. The 20-acre vineyard is divided into micro lots for optimal monitoring and quality control. It also boasts a small plot of pre-phylloxera vines.
